### Certified Lactation Educator Counselor (CLEC)

- Successfully completed a (45 hr.) credit course in basic lactation and its management
- Required completion of post seminar homework, which may include a clinical component

## **Thank you for Breastfeeding in PUBLIC**

*NRS 201.232 Notwithstanding* any other provision of law, a mother may breast feed her child in any public or private location where the mother is otherwise authorized to be, irrespective of whether the nipple of the mother's breast is uncovered during or incidental to the breastfeeding.

*AB 113 Requires* certain employers to make certain accommodations for a nursing mother.

## **Disclaimer**

This is for informational resource purposes only. Providers listed in this directory, unless otherwise indicated, charge a fee for their services. Some have a sliding scale, and some accept insurance. The credentials listed after their names are listed as the individual requested and described. None have been verified. All licensed health practitioners have additional continuing education requirements to remain current in their respective fields.
